WHEN IT COMES TO EXCELLENCE, THERE ARE NO COMPROMISES. ELEVATED STANDARDS DEFINE LUXURY.

There's no reason to settle when seeking the ideal door to enhance your space. Iconic Doors offers a comprehensive solution, delivering not only top-notch materials but also impeccable functionality and a bespoke customisation possibility.

About Us

Iconic Doors specializes in crafting the finest customized luxury steel door systems in the UK, accompanied by unwavering levels of service. Over the years, Iconic Doors has been dedicated to the relentless pursuit of creating bespoke steel doors that seamlessly blend impeccable design with functionality. Despite evolving into the foremost manufacturers of luxury bespoke doors in the UK, Iconic Doors remains a family-run business.

Why Choose Iconic Doors?

Established in 2023, Iconic Steel Doors stands proudly today as one of the foremost suppliers of luxury interior and exterior steel doors and windows in the UK. Our range exemplifies a commitment to excellence and creativity, offering tailored solutions that encompass architectural designs and bespoke manufacturing services, ensuring a personalized experience for every customer.

Bespoke

Elegance goes hand in hand with functionality; we never sacrifice practicality for style. Our doors feature a thermally broken design that enhances insulation, reducing heating and air conditioning expenses and contributing to a more eco-friendly future

Luxury

Experience the perfect blend of 1920s style and contemporary functionality, capturing the essence of both eras. Revel in the enduring style and unparalleled quality embodied in our luxury designs.

Iconic Doors have a modernistic design which represent a remarkable state of the art. Offering a myriad of design possibilities to mirror your vision. The distinctive mechanisms and features of these doors elevate luxury homes to the pinnacle of elite aesthetics.

Features

- Heritage Design
- Ultra Slim
- Construction Bars 29mm
- Option of Flat bars & T-bars

Sliding Doors

Sliding Door

Sliding Doors epitomize elegant tranquility. Our meticulously crafted Smooth-Opening Mechanism ensures effortless, noiseless entry into any room. Whether you prefer a compact pocket door or a grand bi-part design, our space-saving sliding doors maximize the infusion of natural light.

Arched Door

Types of Handles

Hardware serves as the adornment of every space. Luxurious elements like handles elevate a room's finest attributes, mask imperfections, and contribute to an interior that delights the eye, pleases the touch, and serves its functional purpose. Iconic Doors provide an array of handles tailored to echo the era of your home, ensuring a cohesive finish across your interior.
